## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

With two years of experience in SAT and US admissions tutoring, I've supported students in preparing for SAT, ACT, and AP tests. My students come from diverse backgrounds, and I have helped them excel in the critical areas required for US university admissions. My background in education policy equips me with insights into standardized testing, making my approach focused and effective.
