Qualifications

University College London: MSc in Mathematics (2016–2018)

University of Manchester: BSc in Theoretical Physics (2012–2015)

Vetted Tutor 

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

For the past five years, I have dedicated myself to tutoring students for SAT and US admissions, offering structured guidance to help them succeed. My extensive background in mathematics from UCL and Manchester allows me to support students in building the analytical skills needed for top-tier results, enabling their university aspirations.
